

**SALE FROM THE DOOLEY FLOCK
INCLUDES MAJOR PORTION OF THE GIMMER CROP
FOREWORD**

The Dooley Flock was started in 2003 with initial purchases from Carlisle and privately from flocks, notably Luggsmill and Dun-Mor. The ewes from these two flocks have been the cornerstone to our progress over the past nine years. We have always bred to maintain size and type without compromising the main Beltex trait of muscularity, and sourcing the genetics to achieve this has led to the introduction of some exciting bloodlines to the flock.

Show success has been very rewarding for us with endless county show and Royal Show section Champions. The final Royal Show in 2009 was a particularly memorable day with Dooley Malik standing as Male Champion and Reserve Supreme Champion and Dooley Kress being the sire of the Supreme Champion. Dooley Racer won the Male and Overall Championship at the Great Yorkshire Show earlier this year and Dooley breeding was again present in the Female Champion, being a gimmer sired by Dooley Napal.

The flock has achieved numerous successes in the auction ring as well with prices achieved to date of 18,000gns for Dooley Napal, 5500gns for Dooley Pierre and 4900gns for Dooley Malik. Rams sold privately have gone on to produce Carcase Champions at the English Winter Fair and Pairs Champions at the Royal Welsh Winter Fair – proving that the bloodlines are producing the goods.

Our numbers have now outgrown us, as we only farm rented grass, hence the offering of these top quality females; many with bloodlines from the Musschen Flock and sired by one of the best rams to grace the Dooley Flock; Jeff V/D Musschen.

We can't emphasize enough the depth of breeding in both the sire and dam lines and we hope these females will go on and breed as well for you as their mothers still are for us.
